

Dear Dog Lover,

Thank you for considering helping one of our unwanted dogs. I would like to just briefly inform you about ourselves and how you can sponsor one of our dogs.

Here at College Garth Rescue Kennels we can hold up to 44 dogs, of which most have been abandoned on the streets. Our aim is to rehome all our dogs unless illness or aggression prevents this.. We are self funded so once a dog has been in over its statutory 7 day for being claimed it is up to us to care for the dog, as the councils only pay for 7 days.

We now have a team of people, who help with fund raising called Hathern Dog Rescue. You can visit the website at www.hatherndogrescue.com to see what they do but also see our dogs in need here at the kennels. Hathern Dog Rescue has kindly set up this process of sponsoring a dog to help improve dog's life while they are living at College Garth Kennels.

You can pick one of our dogs either by seeing it at the kennels or on our website, then fill in the form included. It is up to you how much and how often you donate to this dog but please note our dogs do get rehomed so you may need to change your dog during this process.

We will send you a thank you pack including a card from your chosen dog. We then will keep you in touch with the dog during its time at the kennels and when homed. You will also have a mention on our website and on the kennel door of your sponsored dog.

So thank you for helping one of our dogs in need.

Yours truly,

Stacey Pepper.
