

Voluntary Dog Walking Form

Welcome to College Garth Rescue Kennels. Thank you for considering walking our dogs. Here at our kennels we get a wide range of abandoned dogs. Some do have behaviour problems and this is why it is important to listen to what a member of staff says to you when they give you the dog but it is also important that when you are out that you inform a member of staff of any problems. Please note there are two members of staff on duty and you must follow the way they would like you to do something-this is to prevent dogs clashing.

When you first start walking we ask you to leave your car keys at the kennels.

We ask you to have a mobile phone with you and put both the kennel numbers into your phone.

(01509 842327 and 07542164912)

All dogs must be kept on lead.

You must clean up after the dog-poop scoops are provided at the kennels.

Please insure that the dog you are walking does not mix with other dogs whether it's another kennel dog or member of public's. Not all our dogs are good with other dogs.

Dogs must not be walked through the village of Hathern.

Please keep your distance from people trying out our dogs-this may be the dogs chance of a home.

- Children under the age of 18 must walk with an adult. 18 and over can walk alone.
- Please do not give food to the dogs, unless a member of staff has said it is ok.
- I understand that I should not hand over the dog to another member of public. If the person claims they are the owner or are interested they must speak to a member of staff.

Once you have read the guidelines please complete the form and return it back to the kennels with proof of your address which needs to be shown and a photo copy made by a member of staff before walking a dog.

Please note if you do not come with a mobile then you will need to stay on the kennel grounds. Please insure that you leave your phone number at the kennels each time you come in walking so that if you are needed back at the kennels a member of staff can contact you.

Walking hours are:

Monday-Saturday = 10am - 12 noon and 1pm - 4pm. Sunday 9am - 12 noon. We do like new walker to start in the afternoon periods.
